

MEMBER BENEFIT

Risk Management Services and Resources

The value of United Educators' (UE's) membership extends far beyond the insurance policy. Eligible members benefit from complimentary access to a wide-ranging collection of risk management resources that can help increase compliance, prevent incidents, and reduce claims. Use these education-specific resources to help mitigate risks, lower training costs, and engage students and employees on timely topics.

Extensive Resource Library

Access resources designed to help K-12 schools, colleges, and universities address education's unique and ever-evolving risks. Members have access to a wide variety of resources covering critical topics such as:

Contracting

**Diversity, equity,
and inclusion**

**Sexual
misconduct**

**Student
mental health**

**Workplace
harassment**

Resource formats include: checklists, reports, claims studies, podcast, webinars

Accessible and Interactive Online Training Solutions

Help increase compliance and reduce risk with online training created specifically to address and respond to education's most pressing risks.

Risk Advice

When you need a sounding board for a policy or procedure or want to hear how other schools navigate a particular risk management issue, our risk management consultants can help. We take time to craft responses based on our deep and experienced knowledge of the issues facing education.

Risk Management Premium Credit Program

Eligible members can earn a credit on their renewal premium by implementing specific risk management mitigation activities through UE's Risk Management Premium Credit (RMPC) program.

To learn more about UE's resources and services, visit www.ue.org/risk-management.
